2

3

These are 6 values.

1

Tally Marks

Value	Tally Marks
1	
2	
3	

Tally marks show how many times each value appears.

2

Frequency Table

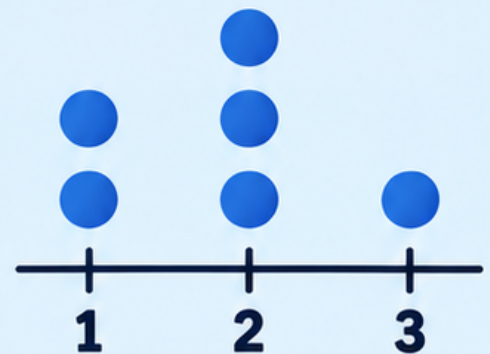

Value	Frequency
1	2
2	3
3	1

The frequency tells how many times each value appears.

3

Dot Plot

Each dot represents one value.

Tally it, table it, then plot it.
