

Volume

Filling with unit cubes

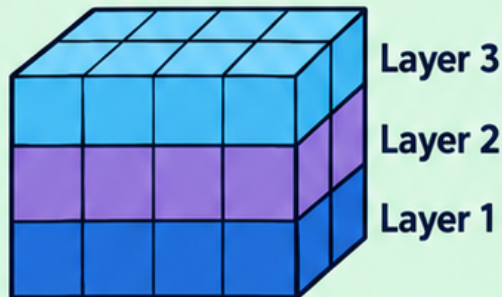

1 One layer
 $4 \times 2 = 8$ unit cubes

8 unit cubes

2 Three layers
 $3 \times 8 = 24$ unit cubes

24 unit cubes

3 Volume

$$V = l \times w \times h$$

$$V = 4 \times 2 \times 3$$

$$V = 24$$

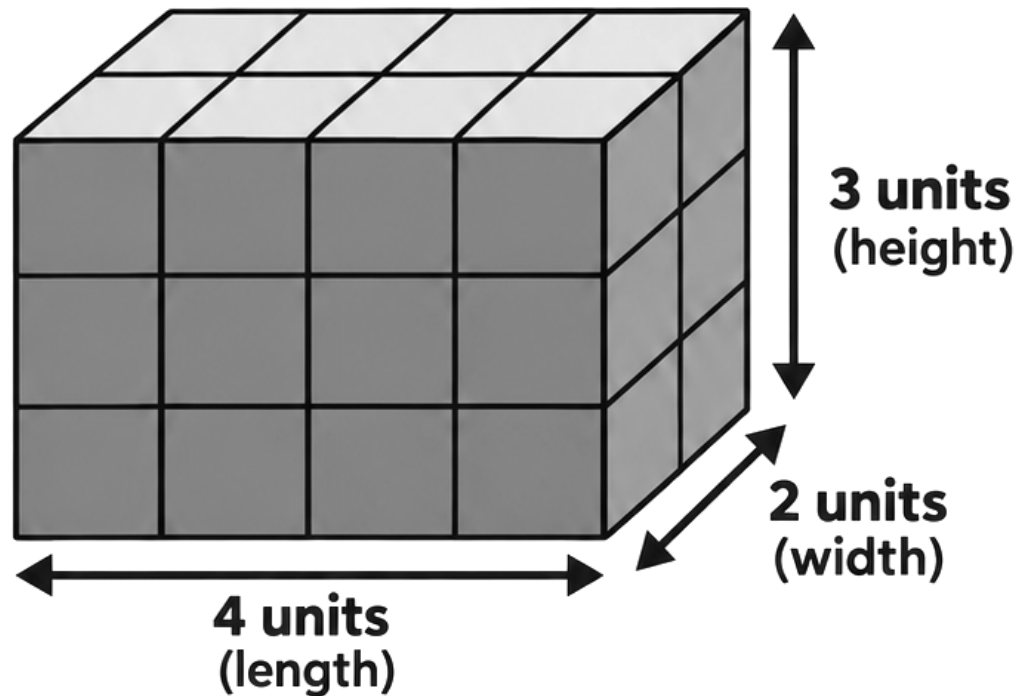

24 cubic units

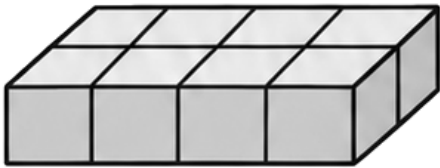

Volume counts the unit cubes that fill a solid.
